Art. 10 Disqualification

Participants who endanger the safety of others or the reputation of this event, or are damaging vehicles or infrastructure can be excluded of further participation of the whole event without compensation by the organizing team.

Participants who violate the rules and guidelines described here, or/and submit incorrect data for their registration are automatically declined (no compensation will be paid).

Art. 11 Protests

Protests have to be placed in written form to the Event Director latest half an hour after notice of the placements. A protest fee of 100,00 Euro will be collected. The Event Director will decide over the protests autonomously. If the protest is declined the fee will not be paid back. The protest at an official court is not possible.

The placements get valid 30 minutes after its publication.

Art. 12 Liability

Only legally licensed and insured vehicles can be admitted to this event (have a look to Art. 2).

Each participant is driving and competing at his/her own risk!

The Vespa Club Fenians Krems, the Vespa Club Austria and the volunteers disclaim liability of drivers, pillion riders and third parties, for personal injury, damage of property and financial loss, before, during and after the event.

With nomination/registration the participant accepts the rules and guidelines for this event and exempts the Vespa Club Fenians Krems, Vespa Club Austria, the volunteers and the Vespa World Club from liability.

The participant must comply with the Austrian Law (Österreichische Straßenverkehrsordnung (STVO)) in its current version.

Examples: Driver and pillion rider of motorcycles or scooters must wear legal helmets, no driving with high beams, no honking in buildup areas.

The use of protection wear is mandatory.

Art. 13 Acceptance of this rules

a) The participant expressly and without exception accepts all the rules and guidelines described here.

b) All personal data transmitted as part of the entry will be treated carefully and used only for the purpose of organizing the event.

They will not be passed on to third parties outside the Vespa World Club, except for the purposes of insurance and/or any mandatory official reporting of the respective participant to the extent necessary.

c) The Vespa Club Austria uses the personal data for the entry, organization and statistical evaluations.

The entry, organization and evaluation include in particular:

- 1) The creation of the starter list
- 2) The creation of the result lists
- 3) The creation of checklists for the checkpoints/special tests
- 4) The allocation of individual participants to teams and vehicle/classification classes
- 5) The processing of the entry and allocation of the entry fees received to the participants

The starter, result and checklists contain the start number, name, classification class and team or club of the participants. These lists are absolutely necessary for the event to take place.

The starter list and the results lists will be published - after they have been created - on the websites of the Vespa Club Austria (these are www.vespaclub.at and www.austrianvesparally.at) - analogous to similar events.

The above lists will be posted during the event to inform participants. After the event, they will be published within the Vespa World Club.

The national umbrella organizations are entitled to receive the data of their local clubs. The Vespa Club Austria will pass on the data necessary for the event to the organizer.

The personal data will under no circumstances be passed on to other people - outside the Vespa World Club and the organizer.

The organizer undertakes to protect the data from unauthorized access and to delete it again after the end of the event. The starter lists and the results lists are archived as part of the documentation of the club's history.

e) People who are not members of a club affiliated with the Vespa World Club and who have registered for this event expressly confirm that the personal data is correct and was provided voluntarily.

These people expressly accept the following sentence:

"I expressly accept that the personal data provided in the entry may be used, stored and evaluated by the Vespa World Club and the Vespa Club Austria. The Vespa Club Austria is authorized to decide on the acceptance or rejection of the entry for this

event. It may pass on the data to the organizer and the Vespa World Club and, if applicable, to the national umbrella organization. This consent includes in particular the collection, storage and use of the personal data for the purposes of evaluation after the event."

f) The Austrian Vespa Rally is an event within the framework of the Vespa World Club, so it is also particularly used for brand management and PR. A certain public and media interest is inherent in the nature of the event.

It is expressly pointed out that media representatives (on behalf of the sponsors and cooperation partners who make the event possible through their support) may be present.

The organizers also take photos and videos. These are intended for publication as part of brand management and documentation of the club's work.

It is also assumed that participants will take pictures and publish them.

By registering, paying the entry fee and participating in the event, you expressly consent to reporting and the production of photos and videos that may subsequently be published.
